## Education

### High Education

Faculty of Computer and Information, Menoufia University  
9/2020 – 9/2024

---

## Personal Projects

**Graduation Project:** Developed the backend for a comprehensive clinic management system using Node.js and MongoDB.

**Features included:** managing users, doctors, and administrators, medical history tracking, doctor search, appointment booking, and real-time chat.

Implemented authentication, password resets via email, and user profile management.

**Technologies:** Node.js, MongoDB. Frontend was developed in Flutter by my friends.

**To-Do list:** A full-stack project where users can create lists and tasks. Tasks can be edited, deleted, or marked with a status.

Authentication implemented for secure access.

**Technologies:** React, Redux, Node.js, MongoDB, Express.

**Blog App:** Users can create posts, add comments and likes, and manage their profiles with authentication.

**Technologies:** React, Redux, Node.js, MongoDB, Express.

**Weather App:** Developed using Open Weather API. Simple and efficient interface to display weather data.

**Technologies:** HTML, CSS, JavaScript.

**Next Website:** Created an article-based web application where users can comment and authenticate their accounts.

**Technologies:** Next.js, PostgreSQL.

**Portfolio:** A personal portfolio showcasing projects and skills.

**Technologies:** HTML, CSS, JavaScript.

---

## Work Experience

**Multimedia Member**, MUFIX community

**Freelance Frontend Developer**

[Client Project](#): Developed a custom website for a client.

[Show System](#): Developed a show system as per client requirements.

---

## Skills

**Web Development:** HTML, CSS, JavaScript, ReactJS, Redux, NodeJS, Express, Next.js

**Languages:** JavaScript, C++, Java, TypeScript

**Databases:** MongoDB, Firebase

**Tools:** Git/GitHub, Docker, Redis, Photoshop

**Other:** Data Structures and Algorithms, OOP, RESTful API, Bootstrap, Tailwind CSS, JSON, Problem Solving, Soft Skills

---

## Certificates

**NTI Web Design** (Front End: HTML, CSS, JS, Bootstrap): [NTI Tasks](#)

**React ITI:** HTML, CSS, JS, ES, Bootstrap, React

---

## Languages

**Arabic:** Native or Bilingual Proficiency

**English:** Professional Working Proficiency

---

## Interests

Chess, Programming, Design, Study, Sports, Drawing
